

PROFESSIONAL PROFILE

Christopher Tickner, BAppSc, BSocSc

Christopher Tickner
Senior Planner

Mr. Tickner holds a Bachelor of Applied Science (Planning) and Bachelor of Social Science (Environment) from RMIT University in Australia.

Christopher worked as an urban planner in Australia and the United Kingdom before joining Weston Consulting Group in 2007. He is responsible for the provision of consulting planning and development management services. His responsibilities include research and analysis of land use options, site investigations and the preparation of reports, including planning justification reports and as an expert witness at the Ontario Municipal Board.

Christopher's expertise is in urban land use planning and development. He has provided professional services in areas such as official plan amendments, zoning by-laws, subdivision and condominium approvals and site plan approvals to the development industry, ratepayers groups and private individuals.

Christopher currently functions as a file manager and is involved in a full range of land use planning and development related projects.
