

PROFESSIONAL PROFILE

Dan M. Nguyen, BES

Dan Nguyen

Junior Planner

Mr. Nguyen holds a Bachelor of Environmental Studies (Honours Planning) degree with a specialization in Urban Design from the University of Waterloo.

Dan commenced his career with the Town of Whitchurch-Stouffville as a Planning Technician. He was responsible for property and policy inquiries, as well as processing site plans and minor variances.

Dan joined Weston Consulting Group Inc. in 2009 as a Junior Planner. His responsibilities include the provision of planning and development services for a wide array of projects. Dan has worked on projects throughout the Greater Toronto Area, building experience and knowledge of planning policies from many municipalities.

As a Planner, Mr. Nguyens' responsibilities include researching and compiling information related to property development, preparing planning applications, monitoring ongoing processes, and fulfilling conditions of approval.
