Attn: Mr. Mark Emery
Vice President

Dear Mark:

I am writing to advise that I am very pleased with the work undertaken on our behalf by Weston Consulting Group Inc.

Thanks to your firm's success at securing the appropriate zoning and variance for our property in Brampton, we are able to expand our existing manufacturing and warehouse facility within our required timeframe. Your firm worked closely with us and kept us fully informed throughout the approval process.

On behalf of QBD, I would like to thank Weston Consulting Group Inc. for a job well done, in addition I would have no hesitation in recommending Weston Consulting Group Inc. to any company requiring development approvals to develop or expand their business operation.

Thanks again.

Sincerely yours,

Jeff Jaffer
President
