Dear Mr. Weston,

Peter,

It is with great pleasure that we write to thank you for your generous support of our first Annual Discover Vaughan Bash in support of tourism in Vaughan.

Your sponsorship contribution was essential to the success of our event, the proceeds of which will be used to develop and execute a strategy for tourism development in our wonderful City. The event was attended by more than 700 people and received considerable coverage in the local media, including a live broadcast from the event by "The New VR" television station.

Thank you once again for your generous support and we look forward to partnering with you as we work to build on the success of this event by creating new and exciting programmes for tourism development in Vaughan.

With sincere appreciation,

Michael Di Biase
Mayor
