Dear Peter, Mark, and the Weston Team

Thank you so much for the donation made by Weston Consulting Group to the Peterborough Regional Health Center Foundation to mark the passing of my father, Dr Stuart Speller. Based on my experience with the Weston firm, your thoughtfulness and generosity are not at all surprising; but I do want you to know that my family and I very much appreciate your contribution. My father was a practicing physician for more than 50 years. For him, medicine was a high calling, and I know that he, too, would be thankful for your donation to such a worthy cause.

Sincerely Yours
